

## Seminar Application 2011

**Saturday, October 15, 2011**

**Bothell, Washington**

**Seminars 2-4 pm / Fair 12-1:45pm**

1:45-1:55 pm: *Homeschool to College: The Journey Continues*

Cascadia Community College, 18345 Campus Way NE, 98011

Dear Applicant,

Thank you for your interest in presenting a seminar or being on a panel at the upcoming Pacific NW Homeschool College Fair. We pride ourselves on bringing a wide-variety of informative, relevant, useful and pertinent topics of interest to college-bound homeschoolers. The goal of the homeschool college fair is to empower homeschoolers as they explore the wide range of college opportunities available and the diverse paths to reach their individual goals. A committee from The Attic Learning Community choose the final seminars and panels that will present each year, endeavoring to maintain a balance of topics they deem will best serve the community as a whole. If you have any questions about your application, please contact Tracy Ruef or Elise Valsquier, Co-Chairs, at [info@HomeschoolCollegeFair.com](mailto:info@HomeschoolCollegeFair.com).
